

Mushin Racing Press Release

Devenport Makes It Six For Mushin

Reynoldsburg, OH / July 19, 2010 / Mushin Racing's Maci Devenport wasn't about to let the big boys of the team out do her on the hilly, clutch churning circuit of Unadilla Valley Sports Center in New Berlin, New York during Round 9 of the 2010 AMA-ATV Motocross Championship. Competing in the 90 Auto Senior (12-15) class, she was wide open, attacking the ups and downs of the layout and, when all was said and done and the last elevation change was conquered, Devenport had put Mushin Racing on the podium in the class once again. Finishing 2nd, she added to her total podium finishes in the class, bringing the count to seven for the season. In the overall series' points standings, after nine of the eleven rounds, Devenport held down the second place overall position in the 90 Auto Sr. class, just one point

out of first.

Maci's performance in New York added to the big boy's podium count of five at the event, bringing the Mushin Racing team's total podium appearances at the Unadilla Valley Sports Center to six.
