## **Mushin Racing Youth Stake Spring Creek Podium Claim**

**Reynoldsburg, OH / 06.15.2010 /** They said they were going to do it and that they did. Mushin Racing's Youth Team adapted to the Spring Creek MX track in Millville, Minnesota on June 12-13 at the sixth round of the 2010 AMA-ATV Motocross Championship and, although the layout was an enormous challenge, laid claim to 3 overall wins.

### Pro & Amateur Press Release From Round 6

The youngest and by far the tyke of the team, Ashton Ward took both moto wins in the 50cc Limited Junior (4-6) class to lay claim to his first ever win of the season at the inaugural MX event held at Minnesota's Spring Creek MX. His win closed the points gap between himself and the leader of the 50 Ltd. Jr. class, bringing him to within 8 points of the top spot in the overall series' standings.

Cole Shake, a Minnesota native, not only made the home state trip to Millville for the first time event at the facility, but decided to toss his helmet into the ranks of the 90 Auto Junior (8-11) class for the first time. And, guess what? He not only conquered the steep, rather rough Spring Creek track, but put a win under his belt in the new class with 2-1 moto

scores.

She's a cutie off the track but a fierce Mushin Racing competitor on the track. Maci Devenport put her second win of the season in the record books at Millville in Mid-June by securing 1-2 moto scores in the 90 Auto Senior (12-15) class. Devenport's performance at Spring Creek brought her to within 4 points of the class overall points leader as she charges for the top podium spot at the end of the season.
